Your health is our priority.

Why MaxMedical UAE?

We understand that your health is a matter of the utmost significance and we accord it the importance it deserves by addressing your needs and concerns.

MaxMedical UAE is a comprehensive international health insurance product being offered by Dubai Insurance Company PSC. It has been designed to help in safeguarding your health and that of your loved ones. The benefits offered by **MaxMedical UAE** are generous and comprehensive with wide geographical coverage.

MaxMedical UAE provides a reassuring degree of security and comfort in dealing with sudden and unforeseen challenges to the well-being of those who choose to become members of the **MaxMedical** family.

Our objective and endeavour is to serve you to the very best of our ability and assist and guide you in times of need.

In short, **we listen, we serve, we care.**

Key Features

International and Comprehensive Medical Coverage

MaxMedical UAE policy offers a wide-range of generous benefits including pre-existing and chronic conditions, congenital and hereditary conditions, maternity coverage from pre-natal to post-natal care, inpatient and outpatient cancer care, organ transplant including removal of donor organ, children and adult vaccination, laser/lasik eye treatment, allergy testing and other medically necessary treatment and services.

Extensive Provider Network with the help of our partner – MSH International

To provide you with optimum care, our partner, MSH International, allows you cashless access to medical treatment and services through MSH International's extensive provider network in the United Arab Emirates and abroad. Wherever you are in the world, you can easily locate and access any clinic, hospital, pharmacy, or diagnostic center with just one click – through MSH International mobile application or through your designated member's page (www.msh-intl.com/menal).

Portability Feature through MaxMedical Shield

MaxMedical UAE will travel with you to other parts of the world through our unique product with dormant feature, **MaxMedical Shield**. It is designed to provide you and your loved ones an assurance of a continuity of cover when you choose to move residence to other parts of the world. It has a flexible feature wherein you can activate it upon leaving United Arab Emirates or keep it dormant for as long as you want through Swiss Life Prévoyance Et Santé.

Dubai Insurance Company PSC was formed in 1970, making it the first local Insurance Company in the United Arab Emirates, with more than 4 decades of experience which you and your loved ones can trust.
